Managing your payroll and sending information to HM Revenue and Customs

To help you get started, go to www.gov.uk/payee-for-employers where you can find more information about PAYE and sending information to us. You can also contact the New Employer Helpline on 0300 200 3211.

Whether you choose to operate your payroll yourself or use an accountant, bookkeeper or payroll bureau, details need to be sent to us every time an employee is paid on or before the time they are paid. As an employer, you're legally responsible for completing all PAYE tasks - even if you pay someone else to do them. This information needs to be sent using payroll software which allows it to be sent to us as part of the routine payroll process. To find a series of guides written to support employers in running their payroll, go to www.gov.uk/business-tax/payee

As an employer operating PAYE, there are certain tasks you need to complete each month. For more information on running a payroll, go to www.gov.uk/running-payroll

Paying your PAYE electronically

Electronic payment methods are the most secure and efficient way to pay us.

Your cleared payment must reach our bank account no later than the 22nd of the month following the end of the tax month or quarter to which it relates. Make sure you initiate payment early enough for cleared funds to reach us in time.

Please use the details and guidance link overleaf to make sure your payment reaches us on time with the correct Accounts Office reference and, if needed, the tax year and tax month the payment is for.
