| **9 to 13 Feb 2026:** no register pages and no posts by Mr Davidans. Invoice 554 bills these five days. 12 Feb 16:07 UTC: Andrejus (Kilka) posts the snagging list link in the chat. Mr Davidans says he was on site 13 Feb (his emails MD16, invoice 554). | | | | | |

## Caveats

- Register times were read by eye from phone photos; "none" means no sign-out written. Weeks are assigned to invoices by invoice date; only 552 and 554 list their days.
- Check whether invoices 549 to 551 billed 16 Dec or 19 Jan (no register entries for anyone on those days).
- The names "Bulakevych", "Drulit" and "Raitis" are as written in the register. Their status (Fishbone subcontractors) is Minda's statement.
